

# Searching for a Flight

First, Michelle types in the Kayak web address into the address box: www.kayak.com.

Then she hits "Enter" on her keyboard.

Once she is at the Kayak website, she can fill out the information for her flight.

Michelle is planning to buy a round-trip ticket. If you would like to buy a one-way or a multi-city ticket, you can choose the options here.

In the "From" box, she types Chicago, which is where she lives.

In the drop-down box, she picks all airports in Chicago, since there is more than one airport in Chicago.

Ights working One-way Mattectry measure (M) To Deart To Secure Table Leavery - Secure Table	S Oneway Multicity 0 To Deart To Know 1 Aduk Konney - Sept.1
veditig Oneway Multicity Neaporthin 1 20 Deset The Nearch Test Leavery - Select	One-way Multicity 0 2 Deset The Second Seco

Desge (D1) To Deset The Second Second Second	0 E Deart G Anna 1 add Loney + Search
Incide rearby Should be a set of the set of	Arby Show Record dates *

In the "To" box, she types Los Angeles, which is where her sister lives.

Then she picks LAX in the drop-down box, because there is only one airport in Los Angeles.

Now it's your turn to try. In the from box, type in the city where you will be traveling from. Then click the button, "I'm Done"!

#### Wonderful!

Now type in the city where you want to go in the To box. Then click on the "I'm Done!" button.
