A list will come up sowing Jack the people that fit within his search results. To find out more about each person, Jack can click on their profile to view more information about them. Make sure the person you add is the correct person. People might have the same name, but may be different than who you are looking for. When Jack is ready to add someone as a friend, he simple clicks the "Add Friend" button.

Friends don't automatically get added to your Facebook page, they have to approve you first. When Jack has a pending friend request, it shows up in the top right of the screen. When Jack clicks on it, he can see who has requested to add him and either click "confirm" to accept the friendship or hit "not now" to deny the friendship.
